

INTERVIEW QUESTIONS:

Why do you think you are qualified for a position on the Planning Commission, and what services have you performed for the community in the recent past?

---

---

---

Describe your knowledge of land use laws or land use planning.

---

---

---

What, in your opinion, are the three hottest issues with our citizens, and how can the Planning Commission respond to those concerns?

---

---

---

What experience have you had that you feel would be valuable to this position?

---

---

---

Do you anticipate that any conflicts of interest will arrive if you are appointed to the Planning Commission; and, if so, how would you handle them?

---

---

---

What knowledge or experience do you have in city planning/zoning?

---

---

---

(Please use a separate sheet of paper if needed)
